

# UNIVERSITY OF WINCHESTER

## Degree Outcomes Statement for 2023/24 Academic Year

The University of Winchester published its original Degree Outcomes Statement in July 2020. This Degree Outcomes Statement relates to the 2023/24 Academic Year, for UK domiciled full-time first-degree awards.

### Institutional Degree Classification Profile

The table below illustrates the number of awards in each classification across the University over a five-year period from 19/20:

Chart 1: Five-year trend in classifications

The number of Firsts remained steady between 2019/20 and 2022/23 but increased by 4% in 2023/24, with a reduction in Upper and Lower Seconds.:

Table 1: Five-year trend in classifications

Academic Year	First class honours	Upper second class honours	Lower second class honours	Third class honours/ Pass
23/24	25%	52%	20%	3%
22/23	21%	53%	23%	3%
21/22	20%	58%	21%	2%
20/21	19%	58%	21%	2%
19/20	20%	59%	23%	3%

\* Covid Yr 1

The table below shows the University of Winchester's 'Good Honours' (First and Upper Second) compared to the sector average over a five-year period.

Table 2: Five-year trend in 'Good Honours', Winchester vs the sector average

Academic Year	University of Winchester	Sector average
23/24	77%	79%
22/23	74%	79%
21/22	78%	80%
20/21	77%	84%
19/20	79%	77%

The number of 'Good Honours' has been below the sector average from 2020/21.
